#### Room Rates & Room Reservations

A special group rate of \$189 per night plus tax is available at the Omni Fort Worth Hotel. Room rates are quoted exclusive of applicable state and local taxes (which are currently 15%).

- Reservations must be made directly with the Omni reservations department by calling 1(800) THE-OMNI or 1(800) 843-6664 and referring to the group as "Texas Radiological Society" in order to receive the reduced \$189 room rate.
- The hotel will stop taking reservations at the TRS discounted room rate **either past the deadline of Wednesday, February 11, or when the TRS room block is sold out – whichever occurs first.** Reservations will then only be accepted at the hotel's prevailing rate, based on availability.
- All reservations must be guaranteed by a valid major credit card, which will be supplied at the time of reservation.
- Reservations must be cancelled no later than 5 pm CST up to 72 hours prior to arrival. If the reservation is no longer required and not cancelled prior to this time, the reservation will be released and room and tax charges for the first night of the reservation (\$217.35) will be billed to the credit card on file.
