Stephanie Burns, MD (Chair)

Conflict of Interest and Off-Label Disclosure:

Presenters at this conference will disclose any conflict of interest or their intention to discuss off-label use, if applicable, at the beginning of their presentation and in accordance with ACCME Standards and FDA requirements.

Solvable Unknown Case Challenge

Enter and You could be a Winner!

Resident Dave Schlesinger, MD of UT Health Science Center in San Antonio will present the *Solvable Unknown Cases for 2010*. Though the cases will be challenging, they will not be impossible, so don't let intimidation keep you from participating. Partial credit will be given for answers on the right track, so that will make it easier to score well. Submit your answers to the unknown cases, and you will have the chance to win a great prize as well as bragging rights as "one of the smartest radiologists at the meeting!" Your name will also be engraved on a plaque that will be displayed at all future TRS meetings. We will have winners in two categories – a resident/fellow category and a practicing radiologist category.
